Notes

- (1) To be used as reference for English-Club work
- (2) " " " " " " " " " "
- (3) In preparation
- (4) Will be received from the press by November.
- (5) While details are worked out teachers are to prepare their own development of each lesson, such development to be kept in a note-book ready for inspection.
- (6) It is expected that local efforts may be made to establish and develop the English section of the room libraries. Lists of appropriate books are in preparation.
- (7) Current Events, the Pathfinder and similar papers might be subscribed for from any activity fund available.
- (8) Easiest selections should be read first.

Yours very truly,

-/jpb.
